Observance of Good Friday Urged Here

Good Friday, April 11, will be observed in nearly all municipal offices from 12 o'clock noon until 3 o'clock as a period of meditation and thus city employees will be able to attend the special devotions of their choice.

The city council approved the closed hours Tuesday night after receiving a resolution urging observance of Good Friday from the Knights of Columbus, Redondo Beach council, which includes Torrance. The resolution was signed by Carl J. Gramling of this city, grand knight of the Order.

The Knights also urge all business firms, wherever possible to suspend operations during the three hours on Good Friday.

Last night at the dinner-meeting of the Torrance Business Men's Association it was voted to follow the city's observance of Good Friday. All local firms who can possibly close will suspend business from 12 o'clock noon to 3 o'clock on that day.

"Reality" is the subject of the Lesson-Sermon on Sunday in all Churches of Christ, Scientist. The Golden Text is from Jeremiah: "The Lord hath brought forth our righteousness: come, and let us declare in Zion the work of the Lord our God."

Among the Scriptural passages in the Lesson-Sermon are these verses: "Grace and peace be multiplied unto you through the knowledge of God, and of Jesus our Lord, according as his divine power hath given unto us all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue."

And beside this, giving all diligence, add to your faith virtue; and to virtue knowledge; and to knowledge temperance, and to temperance patience; and to patience godliness; and to godliness brotherly kindness; and to brotherly kindness charity. For so an entrance shall be ministered unto you abundantly into the everlasting kingdom of our Lord and Saviour Jesus Christ."

Selection from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, states: "There is but one way to heaven, harmony, and Christ in divine Science shows us this way. It is to know no other reality—to have no other consciousness of life—than good, God and His reflection, and to rise superior to the so-called pain and pleasure of the senses."
